Txv frosting reason

Safeties in refer system

Compressor safeties

Boiler survey safety vv testing

Cms survey

Which all machines cms credited with photos and pms entry

Ows survey

16 lo analysis

Which all machinery

Stern tube what u check

From where the metal particles comes from.

17 documentation of CE

NOx

Sox

NOx file what all information

What u write in that

NOx reduction method

Sox reduction

18 how to calculate sfoc

Where u get information

Er log book

What all u write

Why writing parameters

19 bunker ordering ,Grade, Voyage calculation, Total Bunker required calculation.

20 How to calculate time of change over.

21 Mixing of bunkers

22 Fo onboard test

23 Fuel quality

lapp what all
